## PROJECT 2 : Qua\_D

# SPACE PLANNING

### Habitat for Humanity 01

**the initiation**  
\_this explores the possibilities of orientation with consideration of the spaces internally.

**Formation**  
\_formations is limitless with no respect to the basic sun path and context, this would further be redefined to suit into context from 3 family to 1 family.

V8	<ol style="list-style-type: none"><li>1. Centralized toilet</li><li>2. Too deep plan</li><li>3. Bigger Kitchen (spit)</li></ol>	
V9	<ol style="list-style-type: none"><li>1. Pass through living to toilet</li><li>2. Suppressed kitchen</li><li>3. Living and dining awkward</li></ol>	
V10	<ol style="list-style-type: none"><li>1. Toilet far</li><li>2. Public and private not suitable (living and dining) 3 family-compressed</li></ol>	
V11	<ol style="list-style-type: none"><li>1. Kitchen can be expanded</li><li>2. 2 families</li><li>3. Screening (people)</li><li>4. Split bathroom</li><li>5. Public and Private suitability</li><li>6. Focal Central (Living/dining)</li></ol>	
V12	<ol style="list-style-type: none"><li>1. Rich people (high cost construction)</li><li>2. 2 family</li><li>3. Public and private sacrificed</li></ol>	
V13	<ol style="list-style-type: none"><li>1. Rich people (too many columns)</li><li>2. Toilet near to rooms</li><li>3. Toilet far from kitchen (services)</li><li>4. Public and private odd if mirrored</li></ol>	

\_mock model type v11 is deemed to be beneficial compared to the other versions.
